The International Baccalaureate Diploma (IB) consists of 6 subjects (3 higher and 3 standard), for the six subjects you have to choose one from each of these six lists:

- Maths list
- English list
- Science list
- Humanities/Social Science list
- Languages list
- Arts/Practical list.

Usually you have the option to choose to ignore the Arts/Practical list and take a subject instead from the Science or Languages list etc. if you want to.

Plus you have to study 3 core elements including:

- Creativity Activity Service (CAS) (take part in events and activities in the local community)
- A 4000 word essay
- The Theory of Knowledge (a new subject to all students)
