ST PAUL'S ACADEMY

Congratulations to the Class of 2024

On behalf of the Staff and Governors of St Paul's Academy, we want to congratulate our Year 11 Class of 2024 for their successful outcomes in both GCSE and vocational qualifications.

Joining St Paul's in September 2019 seems a long while back now for this cohort of students but they joined having had a very full experience of primary school and a well supported transition. A term in and they experienced school closure and loss of learning in a way that no one ever imagined a young person in the 21st Century would experience and it persisted in all sorts of ways for the next couple of years. Alongside that, the students in this cohort continue to resolve to push past the challenges, to welcome with gratitude the support of their teachers and support staff and to turn adversity into promise. Given their journey, the students of Class of 2024 deserve a very heartfelt 'well done' for their tremendous resilience and commitment to their own futures. In spite of all these challenges, they sat formal and taxing examinations with courage and determination. Their achievements are even more valuable than the grades achieved, while they will have developed qualities that will help them thrive in the next stages of their education, employment and life in general.
