## WorldSkillsUK

**Empowering young people from all backgrounds to choose high quality apprenticeships and technical education as prestigious career routes.**

WorldSkills UK is a four nations partnership between education, industry and UK governments. It is a world-class skills network acting as a catalyst for:

- raising standards, through international benchmarking and professional development
- championing future skills, through analysis of rapidly changing economic demand
- empowering young people, from all backgrounds, through competitions-based training and careers advocacy.

## Royal College Of Veterinary Surgeons

This National Careers Week we at the Royal College of Veterinary Surgeons (RCVS) want to showcase the different roles of veterinary surgeons and veterinary nurses. But what do veterinary surgeons and veterinary nurses actually do? Veterinary professionals have many different roles and responsibilities, and some are more widely known about than others.

## Headline Sponsors

Here's where you'll find our most loyal supporters. Some have been with us since day one. We are proud they are here to celebrate over a decade of National Careers Week with us.

# 2.

## Interesting Careers

Have a look at an interesting range of careers; some that you might never have thought about until now...

# 3.

## Green Careers

Green Careers Week is an exciting event that raises aspiration, supports diversity, challenges stereotypes, and promotes real opportunities for young people to have a career that will genuinely make a difference. Discover careers, jobs, roles, and career pathways that are green careers and develop green skills.

Here are a selection of organisations who took part in Green Careers Week this year!

HUMBER OUTREACH PROGRAMME

Hello everyone at National Careers Week (NCW). We are the Humber Outreach Programme but friends call us HOP.

We are here to offer impartial advice and guidance to students to help them make confident and informed decisions about their futures.

Whether that be progressing to University, taking on an apprenticeship or studying a vocational course at college, we are here to help you understand your options and make the right choice.
