

# The Russell Group

The Russell Group represents 24 leading UK universities. The Group has a shared focus on world class research and a reputation for academic achievement.

What the Russell Group says:

“Our students work with world-class experts, use first-rate libraries and facilities, are part of a highly motivated and talented peer group and often engage with cutting-edge research.

Graduate recruiters rank ten Russell Group universities in the top 30 universities worldwide, and Russell Group graduates typically receive a 10% salary ‘top-up’ over others. Why? Because the combination of teaching and research excellence creates the ideal learning environment which produces ‘work-ready’ graduates.

Providing a world-class student experience is a top priority for us and our universities have higher than average student satisfaction and the lower than average drop-out rates.”
