ST PAUL'S ACADEMY

MISSION AND VISION

FOR THE YEAR ENDED 31 AUGUST 2021

Mission Statement

As a Catholic Academy, established by the trustees of the Archdiocese of Southwark, we seek to create a community, which is characterised by gospel values and the teaching of the Catholic Church. The Academy seeks to serve both the Catholic and the local community, welcoming those who embrace its values and share its quest for excellence.

- To provide opportunities for people to develop the knowledge, skills and wisdom necessary for effective lifelong learning.
- To enable learners to develop their intellectual, social, moral, spiritual and physical potential to the full in order to become proactive members of both the local and wider community.
- To increase aspirations by exploiting educational innovations and opportunities in the best interests of our students and staff.

Vision Statement

Students

St Paul's Academy is a place where parents want to send their children. True comprehensive values are underpinned by a Catholic ethos. The needs of individual students are met through a broad and balanced curriculum offer which includes vocational and academic courses, fast-tracking, careful monitoring of students and respect for diversity. Increased teaching time and the extended school day, provide students with a secure and safe learning environment in which high standards of respect and behaviour flourish. St Paul's Academy is dedicated to the development of the spiritual, intellectual, emotional and social growth of the whole person.

The Academy empowers students, motivating them to reach their full potential, with an emphasis on developing autonomous and focused learners. Student opinion is highly valued as is student leadership. Students are encouraged to take responsibility for their own actions, and present themselves as confident, informed and motivated individuals. Healthy life-style choices are encouraged at all times and regular healthy meals are available.

Excellent pastoral care supports the students and the Academy is committed to an inclusive approach and attention to students' welfare.

Students benefit from the core values which permeate their whole educational experience; a twice daily tutor group session provides a real sense of community and students experience consistency throughout their time at the Academy, as each year group is overseen by a single Faculty. Students leave the Academy as confident young people, ready to further their education, and with a clear sense of their own worth in the wider community.

Staff

The recruitment and retention of an outstanding teaching and support staff is a top priority of the Academy. A variety of teaching styles and a committed approach to differentiated learning reflect the high expectations and values shared by all members of the Academy community. Staff are role models in all aspects of Academy life and the wide variety of adults working within the institution reflects the diversity of the local community.

The approach to education is holistic and all teachers have academic and pastoral responsibilities; standards of teaching and learning are consistently very high. Team work is essential, and discussion and interaction are key elements in planning and implementing learning strategies and Academy policy.

Teachers are supported by a structured approach to staff professional development. Teaching Assistants work very closely with teaching staff and are assigned to specific learning areas.

ST PAUL'S ACADEMY

MISSION AND VISION

FOR THE YEAR ENDED 31 AUGUST 2021

Specialisms

The Academy has two distinct specialisms; enterprise and sport, which are delivered both through the curriculum and extra-curricular activities. Through these two focus points, the Academy has developed and continues to develop exciting and innovative projects which benefit the Academy as well as the local community. The specialisms teach students the skills of negotiation, consultation, decision making and resilience.

Our entrepreneurial young people donate all the money they raise to charity. Since becoming an Academy in 2005, students have raised over £220,000 for a wide range of charities. Our students lead on this; the trust placed in their ability to work independently makes St Paul's unique and vibrant because their ideas are so highly valued. The fundraising accomplished has the gospel values at the heart of it and epitomises "faith in action".

Sport promotes a healthy life-style for all members of the academy community. Team and individual success is celebrated and enjoyed, and students learn to handle defeat magnanimously. Sport is not just competitive, but encourages reflection and self-evaluation, and provides essential leisure and relaxation opportunities. Sporting activities build confidence and leadership in our young people and teach that when we can strive, we grow in resilience, we can succeed.

Support

The tenets of the Catholic Church underpin the life of the Academy. All faiths are celebrated and respected and play an important role in promoting the universal values that constitute the ethos of the Academy.

Education is for life and the Academy is committed to the growth and development of the whole child; emotional, intellectual, mental, physical and spiritual.

St Paul's expects the highest standards and insists on the excellent behaviour of all students. The Academy holds an important position in the local and wider community, educating and forming our young people to be thoughtful and responsible citizens, so they will take a proactive role within their community.

Outstanding behaviour, both in and out of school, is of the upmost importance and our behaviour code is simple and clear:

- Be Safe
- Be Respectful
- Be Ready for Learning

Our 24/7 approach to behaviour management enables the Academy to safeguard the wellbeing and safety of students while also supporting their parents and carers, who in turn are supportive of the Home/School partnership. Families are encouraged to contact the Academy through their child's form tutor and Pastoral Team. We work hard to ensure parents and carers are kept informed through formal letters, InTouch and the website.

ST PAUL'S ACADEMY

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2021

The trustees present their annual report together with the accounts and auditor's report of the charitable company for the year 1 September 2020 to 31 August 2021. The annual report serves the purposes of both a trustees' report, and a directors' report under company law.

The academy trust operates an academy for pupils aged 11 – 16 serving the local and Catholic community. It has a pupil capacity of 1,200 and had a roll of 1190 in the school census on 1 October 2020.

Structure, governance and management

Constitution

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust.

The trustees of St Paul's Academy are also the directors of the charitable company for the purposes of company law. Details of the trustees who served during the year, and to the date these accounts are approved, are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £1, for the debts and liabilities contracted before they ceased to be a member.

Method of recruitment and appointment or election of trustees

The number of Governors shall not be less than three but there is no maximum number set. The Academy shall have the following Governors:

- Not less than 6 Foundation Governors
- Parent Governor
- Staff Governor
- Local Authority
- Appointed

It may also have the following:

- Any co-opted Governor
- Any additional Governor appointed by the Secretary of State

The Principal shall be an ex officio member of the Governing Body.

Policies and procedures adopted for the induction and training of trustees

During the year under review the Full Governing Body held 3 meetings. The training and induction provided for new Governors will depend on their existing experience. Where necessary induction will provide training on charity and educational legal and financial matters. All new Governors will be given a tour of the Academy and the chance to meet with staff and students. All relevant Governors are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as Governors. Induction is customised for the Governor joining the Board.

ST PAUL'S ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

Organisational structure

The structure consists of three levels: the Governors, Senior Leadership Team and Heads of Faculty. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels.

The Governors are responsible for setting general policy, adopting an annual plan and budget, monitoring the Academy by the use of budgets and making major decisions about the direction of the Academy, capital expenditure and senior staff appointments.

The Senior Leadership Team are the Principal, Vice Principal and Assistant Principals. These managers control the Academy at an executive level implementing the policies laid down by the Governors and reporting back to them. As a group, the Senior Leadership Team are responsible for the authorisation of spending within agreed budgets and the appointment of staff, though appointment boards for Assistant Principals posts will contain a Governor. All budget holders follow the Academy's financial procedures for spending.

The Management Team includes the Senior Leadership Team and the Heads of Faculty (Assistant Principals). These managers are responsible for the day to day operation of the Academy, in particular organising the teaching staff, facilities and students.

Arrangements for setting pay and remuneration of key management personnel

The Governors consider that they together with the Senior Leadership Team comprise the key management of the Academy in charge of directing and controlling, running and operating it. Governors, apart from the Principal and the Staff Governor, receive no form of remuneration.

The remuneration of the Principal, Staff Governors and other teaching staff who are members of the Senior Leadership Team is set by the Governors in accordance with the Academy's overall remuneration policy which is based upon the School Teachers' Pay & Conditions Document (STPCD), the Individual School Range (ISR) for Leadership Group posts and the relative positions of the individuals on the applicable pay spines.

Related parties and other connected charities and organisations

The Archdiocese of Southwark is the sponsor of St Paul's Academy Limited and since the Academy's founding have donated £2m to assist the Academy in achieving its objectives.

Objectives and activities

Objects and aims

The principal object and activity of the charitable company is the operation of St Paul's Academy to provide education for students of different abilities between the ages of 11 and 16 with an emphasis on Sport and Enterprise.

In accordance with the articles of association the charitable company has adopted a "Scheme of Government" approved by the Secretary of State for Education. The Scheme of Government specifies, amongst other things, the basis for admitting students to the Academy, the catchment area from which the students are drawn, and that the curriculum should comply with the substance of the national curriculum with an emphasis on Sport and Enterprise and their practical applications.

ST PAUL'S ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

The main objectives of the Academy during the year ended 31 August 2021 are summarised below:

- to overcome the challenges presented by Covid-19;
- to ensure that every child enjoys the same high quality education in terms of resourcing, tuition and care;
- to raise the standard of educational achievement of all pupils;
- to improve the effectiveness of the Academy by keeping the curriculum and organisational structure under continual review;
- to provide value for money for the funds expended;
- to comply with all appropriate statutory and curriculum requirement;
- to conduct the Academy's business in accordance with the highest standards of integrity, probity and openness.

Objectives, strategies and activities

The Academy's main strategy is encompassed in its mission statement which is 'To build a learning community which has access to the best possible teaching facilities and staff'. To this end the activities provided include:

- tuition and learning opportunities for all students to attain appropriate academic qualifications and make expected or better progress from their starting point;
- promotion of the wellbeing of students and staff;
- an enrichment programme for all students;
- a programme of sporting and other after school activities for all students;
- Enterprise through fundraising in a practical and project oriented way;
- a careers advisory service to help students obtain employment or move on to higher education.
- training opportunities for all staff.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on Public Benefit when reviewing the charity's aim and objectives and in planning future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Admissions Arrangements

There are 240 Year 7 places available for the year 2020/21. These places are split into 2 categories:

1. Catholic and other faith entrants (160 places)
2. Community entrants (80 places)

Catholic and other faith entrants:

1. Looked after children and previously looked after children who have been adopted or become subject to a residence or special guardianship order, immediately following having been looked after who are baptised Catholics or looked after by Catholic families.

ST PAUL'S ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

2. Baptised Catholic children from families where at least one parent/guardian/carer or the child is a practising Catholic and, who at the time of their application, resides (+) in the following local parishes:

Christchurch	Eltham
Holy Cross	Plumstead Common
Our Lady of Grace	Charlton
Our Lady of the Angels	Erith
Our Lady Star of the Sea	Greenwich
St Benet's	Abbey Wood
St David's	Abbey Wood
St John Fisher	Kidbrooke
St John Fisher	Thamesmead South
St John Fisher & St Thomas More	Eltham
St Joseph's	Greenwich
St Joseph's	Shooters Hill
St Patrick's	Plumstead
St Paul's	Thamesmead Central
St Peter's	Woolwich
St Stephen's	Welling
St Thomas More	Bostall Park

(Parish boundaries are available upon request from the Roman Catholic Archdiocese of Southwark)

Practising Catholic is defined by frequency of Mass attendance as shown on the SIF. Applicants will be ranked weekly, fortnightly, monthly, occasionally, with those ranked weekly being given the highest priority.

3. Baptised Catholic children from families where at least one parent/guardian/carer or the child is a practising Catholic and, who at the time of their application, live in parishes other than those named in 2 above. If there is oversubscription in this category, priority will be given on levels of mass attendance as indicated by the Parish Priest or his named representative;

4. Other baptised Catholic children;

5. Children enrolled in the Catechumenate where there is support from a Parish Priest or his named representative;

6. Baptised Eastern Orthodox children;

7. Children of other Christian denominations which are members of *Churches Together in England and whose applications are supported by a Minister of Religion of a designated place of worship;

*A copy of this list is available from the school on request.

8. Children of other faiths whose applications are supported by a statement from the religious leader of a designated place of worship.

Under each of the above criteria, priority will be given in order to applicants who:

a. have a sibling living at the same address attending the Academy at the time of the applicant's admission. The term 'sibling' refers to a full, half or step brother or sister living at the same address.

b. have a professionally supported medical, social or special educational need which makes it essential for them to be admitted to the Academy as determined under arrangements agreed from time to time and published by the Governing Body.

ST PAUL'S ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

c. Proximity to the school, measured by the shortest distance (ie straight line as determined by Royal Greenwich's computerised mapping system) from a single point in the centre of the child's home address to the centre of the school. If your child lives equally between both parents, we consider the principal home address as being the address at which your child is registered whilst attending primary school, with a GP and, if applicable, the address of the parents who is in receipt of Child Benefit or Child Tax Credits for your child.

Community entrants:

1. Looked after children and previously looked after children who have been adopted or become subject to a residence or special guardianship order, immediately following having been looked after.
2. Children who have a professionally supported medical, social or special educational need which makes it essential for them to be admitted to the Academy as determined under arrangements agreed from time to time and published by the Governing Body;
3. Children who have a sibling living at the same address attending the Academy at the time of the applicant's admission. The term 'sibling' refers to a full, half or step brother or sister living at the same address.
4. Proximity to the school, measured by the shortest distance (ie straight line as determined by Royal Greenwich's computerised mapping system) from a single point in the centre of the child's home address to the centre of the school. If your child lives equally between both parents, we consider the principal home address as being the address at which your child is registered whilst attending primary school, with a GP and, if applicable, the address of the parent who is in receipt of Child Benefit or Child Tax Credits for your child.

Additional Information:

Under both categories, where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the Academy, the place will be decided by the drawing of lots.

Twins/Children of multiple birth

Additional children may be admitted under very exceptional circumstances. This will be in instances where children are twins and children from multiple births when one of the children is the 180th child admitted.

Strategic report

Achievements and performance

St Paul's Academy is pleased to report on the successful examination results of our students and we offer them congratulations for all they have achieved.

It has been another challenging year for young people taking public exams. The announcement on 25th February regarding the cancellation of the exam season caused much disappointment to students. The introduction of the Teacher Assessed Grades, however, ensured fairness and rigour for all and gave us the opportunity to direct the students towards success. The students demonstrated exceptional determination and resilience both in school and during the periods of lockdown. In spite of the challenges of the pandemic, we are delighted to announce the successful results of the Class of 2021.

ST PAUL'S ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

We are also pleased to announce that for our key performance measures, 83% of students achieved a Grade 4 or better in English, with 69% achieving a Grade 5 or better. In Maths, 78% of students achieved a grade 4 or better and 52% of students achieved a grade 5 or better. We can also report that 73% of students achieved a grade 4 or above in both English and Mathematics. In terms of other performance measures, we would like to report that our English Baccalaureate average point score is 4.21 and the provisional average Attainment 8 for all students currently stands at 49.07. The Progress 8 score will be determined and reported later in the Autumn Term. Our excellent results compensate for the difficult months our students have had to endure. On page 3, you will see the exceptional results achieved in a wide range of subject areas.

The staff of St Paul's Academy continue to be committed to doing their very best for all students in an ever-changing landscape. The collegiality and resilience of staff and students alike is to be celebrated and commended and we give thanks for all the support given by the cohort's parents, carers and families. We would like to offer our heartfelt congratulations to the students in all that they have achieved in the past 5 years at St Paul's and we wish them every possible success and happiness as they embark on the next stage of their lives.

Congratulations to the Class of 2021!

COVID – 19 The Impact and Implications for St Paul's Academy

The Academy's first priority during this pandemic continues to be the safety and well-being of all students, staff and visitors to our premises. (See Health & Safety Risk Assessment on the Academy's website).

All Government directives have been followed.

For the periods of forced closure, Teaching and Learning continued on site for vulnerable students and the children of key workers. For the rest of the students T&L was undertaken remotely.

During forced times of closure, the Keeping In Touch Strategy continued to be deployed to maintain links with the students and their families as well as to monitor their wellbeing.

Bereavement support continued to be put in place and made available to all who sadly required it.

Mental health support continued to be made available to students and staff.

Transition programme was put in place for Year 6 students transferring to St. Paul's, as well as a programme for our Y11 students transferring to Post 16 establishments, training or employment.

The Teacher Assessed Grades [TAGs] for Y11 was a thorough and rigorous process following the Academy's Teacher Assessed Grade Policy.

During the partial closures of the Academy, key personnel were available on site to follow the financial procedures of the Academy. BACs payments were authorised on site, as was payroll.

Contingency plans are in place for these processes to be undertaken remotely if required.

Key performance indicators

The key performance indicators reviewed by the Governors in Finance & Resources committee meetings include income from the ESFA (determined broadly by reference to number of pupils on roll), income from lettings; expenditure on staff, utilities and curriculum supplies. The level of capital expenditure and maintenance of facilities is closely monitored. Actual and projected cash flow and reserves are also monitored. These items are all reported in the financial statements.

Going concern

After making appropriate enquiries, the board of trustees has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason the board of trustees continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the statement of accounting policies.

ST PAUL'S ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

Financial review

Most of the Academy's income is obtained from the Education Skills Funding Agency (ESFA) in the form of recurrent grants, some of which is restricted to particular purposes. The grants received from the ESFA during the period ended 31 August 2021 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities.

The Academy also receives grants for fixed assets from the ESFA. In accordance with the Charities Statement of Recommended Practice, 'Accounting and Reporting by Charities' (SORP 2019), such grants are shown in the Statement of Financial Activities as restricted income in the fixed asset fund. The restricted fixed asset fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned.

During the year ended 31 August 2021, total expenditure of £9,955k (2020: £9,583k) was met by recurrent grant funding from the ESFA together with other incoming resources. The excess expenditure over income for the year (excluding restricted fixed asset funds and transfers to restricted fixed asset funds) was £69k (2020: £65k).

At 31 August 2021 the net book value of fixed assets was £23,336k (2020: £23,943k). Movements in tangible fixed assets are shown in note 12 to the financial statements. The assets were used exclusively for providing education and the associated support services to the pupils of the Academy.

The London Borough of Greenwich Pension Fund, in which the Academy participates, showed a deficit of £6,213k (2020: £4,752k) at 31 August 2021.

Financial Impact of C-19

- Revenue lost as rental of facilities were suspended.
- Catering monies ceased to make any profits as they were only partially operating for the students and staff required on site during forced closure.
- Edenred were again given the task of providing vouchers to the families of FSM students. In addition to this, families were also able to collect food parcels from the school during the period covering January – March. These actions ensured that students and their families who rely on FSMs were able to have continuity and did not have the extra burden of having to find food which would normally be provided by the school.
- Extra cleaning of the Academy past, present and future has and will continue to become expensive. The cost of disinfecting materials has, in some circumstances doubled and although we remain committed to finding the best price, it is also a question of where stock is available.
- Photocopying/postage increased as during lockdown learning materials were posted to all students so that continuity of learning could be continued on all levels;
- Mental Health training for members of staff relating to school issues and Covid 19.

Reserves policy

The Trustees review the reserve levels of the academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The Trustees have determined that the appropriate level of unrestricted reserves should be equivalent to four weeks expenditure, approximately £760k (2020: £750k).

The reason for this is to provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies such as urgent maintenance. The Academy's current level of free reserves is £1,821k (2020: £1,685k). Therefore the Governors view the reserves to be adequate.

The Academy held fund balances at 31 August 2021 of £19,494k (2020: £21,115k) comprising £17,673k (2020: £19,430k) of restricted funds and £1,821k (2020: £1,685k) of unrestricted general funds. Of the restricted funds, £23,336k (2020: £23,943k) is represented by tangible fixed assets; £540k (2020: £239k) by unspent GAG income; and £10k (2020: £nil) by unspent COVID funding.

The pension reserve which is considered part of restricted funds was £6,213k (2020: £4,752k) in deficit.

ST PAUL'S ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

Investment policy

Under the Memorandum and Articles of Association, the academy has the power to invest funds not immediately required for its own purposes, in any way the Trustees see fit. The organisation has a positive cash balance to cover eventualities and unforeseen expenses. The banking facilities are reviewed on a regular basis.

Principal risks and uncertainties

The Governors have assessed the major risks to which the Academy is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the Academy, and its finances. The Governors have implemented a number of systems to assess risks that the Academy faces, especially in the operational areas (eg in relation to teaching, health and safety, bullying and school trips) and in relation to the control of finance. They have introduced systems, including operational procedures (eg vetting of new staff and visitors, supervision of school grounds) and internal financial controls (see below) in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover. The Academy has an effective system of internal financial controls.

The major risks that the Academy could potentially face are:

Reduction in income: this could be due to either (i) an overall reduction in government funding for Education or (ii) a fall in student numbers.

- With careful year on year budgeting leaving an in-year surplus we hope to be able to mitigate any small reduction in funding; however, this would be a major cause for concern.
- The Academy itself and our current students are testimony in themselves to the exceptional educational offer available. On top of that, the Principal spends time marketing the Academy to all the local Primary Schools, and further links are made with feeder schools through joint activities.

Admissions: As 1 (ii) above. Fortunately year on year St Paul's is oversubscribed but is always mindful of the growing and new competition.

Teachers' Pensions Deficit – this continues to grow year on year causing a deficit in our accounts. Whilst this is not a “true” reflection of our position, as it would only come to fruition were all of our staff to retire at the same time, it is a worrying figure. We are not able to mitigate this directly as it is out of our hands.

As with every other school, the Academy faces the challenges presented by the ongoing C-19 pandemic. The Academy continues to take measures to prevent and reduce the transmission of C-19.

ST PAUL'S ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

Plans for future periods

The Academy will continue striving to improve the levels of performance of its students at all levels and will continue its efforts to ensure its students go on to further education, employment or training once they leave. We will continue to strive to keep students and staff safe during the C-19 pandemic.

Safety changes that have been implemented for the Academy to remain open, and for its wider opening have been guided by the Academy's Health & Safety Risk Assessments [Located on website].

Among the control measures to prevent and reduce the risk of C-19 transmission are:

- Hand sanitization stations for students and staff both inside and outside;
- Extra pedal and wheelie bins for disposal of tissues and refuse;
- Face coverings being worn by staff and students;
- One way system operates around the school;
- Re organisation of classrooms for teaching;
- Limit to numbers allowed in any workplace/office;
- Cubicles to divide staff working side by side;
- Perspex screens around various parts of the school;
- Extra fencing for the sports fields to divide;
- Paint for social distanced line ups and separation;
- Extra benches for food consumption;
- C-19 Signage all over the school.

To keep an accurate figure of materials/spending as a direct result of Covid 19 a ledger code has been added to all active cost centres.

Auditor

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The auditor, Azets Audit Services, is deemed to be reappointed under section 487(2) of the Companies Act 2006.

The trustees' report, incorporating a strategic report, was approved by order of the board of trustees, as the company directors, on 01 December 2021 and signed on its behalf by:

B Borland
Chair

ST PAUL'S ACADEMY

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2021

Scope of responsibility

As trustees we acknowledge we have overall responsibility for ensuring that St Paul's Academy has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day-to-day responsibility to the Principal, as accounting officer, for ensuring financial controls confirm with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between St Paul's Academy and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The full board of trustees has formally met 3 times during the year. For the Summer Meeting attendance was restricted due to Covid-19 to the Chair and Vice Chair of Governors, along with the Chairs of the Committees and the Principal. Attendance during the year at meetings of the board of trustees was as follows:

Trustees	Meetings attended	Out of possible
B Borland (Chair)	3	3
M Fontinelle	3	3
Councillor S Offord	2	2
H Francis	1	3
S Malone (Accounting Officer)	3	3
R Offong	0	3
N Amaike	2	3
S Griffin (Vice Chair)	2	3
E Bryan (Resigned 10 May 2021)	0	3
Monsignor M Dickens	0	3
P McCallum	0	3
The Most Reverend Archbishop J Wilson (Appointed 12 October 2020)	0	3

Also in attendance for the Trustee meetings was A Fernando (attending 1 out of a possible 2 meetings).

The Governing Body reviewed its constitution, which for 2020/21, remained the same as the previous year. In agreement with the Archdiocese, the persons in the following positions: Archbishop of Southwark, the Vicar General and the Financial Secretary to the Diocese will be the designated Members of St Paul's Academy Trust.

The Governing Body has three core functions:

- Ensuring clarity of vision, ethos and strategic direction
- Holding key personnel to account for the educational performance of the organisation and its students and the performance management of staff.
- Overseeing the financial performance of the organisation and making sure its money is well spent.

The full board is supported by three key committees that have overseen key aspects of the Academy, i.e School Improvement, Audit, Finance and Resources and Management of Students. These committees have applied due diligence to the ongoing work of the Academy. At both full board and committee meetings Governors are presented with detailed data concerning the management of the Academy's performance.

Ensuring the Academy's financial position is secure is always a priority and with current funding projections from the ESFA this is a crucial responsibility of the Governors. The Academy continues its management of its resources through the engagement of EFS services.

ST PAUL'S ACADEMY

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

There is a Principal's Remuneration Committee that monitors her performance, sets targets and determines pay.

The Board of Trustees only met three times in the year but have delegated responsibilities to other committees. The committees must produce a report of issues and findings at each Trustee meeting.

The Audit, Finance and Resources Committee is a committee of the main Governing Body. Its purpose is to oversee financial management ensuring probity, agree budgets and discuss any HR or payroll issues. There were three scheduled meetings for this committee; however, due to C-19 the second meeting (Spring term) was subsumed into the FGB meeting held in March 2021.

Attendance at meetings in the year was as follows:

Trustees	Meetings attended	Out of possible
B Borland (Chair)	3	3
Councillor S Offord	1	3
H Francis	1	3
S Malone (Accounting Officer)	3	3
S Griffin (Vice Chair)	2	3

Also in attendance for the Audit, Finance and Resources meetings was R Wood (EFS), who attended 2 out of a possible 3 meetings.

Review of value for money

As accounting officer the Principal has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources have provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

- Ensuring academy supplies and resources are of acceptable quality and purchased at the best price.
- Ensuring the Academy's financial procedures are adhered to, e.g.

Purchase Order Value	Number/type of quotes	Level of authorisation
Up to £1,000	2 quotes (written/verbal)	Budget Holder
£1,001 - £4,000	3 written quotes	Principal
£4,001 - £10,000	3 written quotes	Principal + report to F & R
£10,001 - £50,000	3 written quotes	F & R Committee
£50,000 Plus	3 written quotes	Full Governing Body

- By providing the best support to meet the various educational needs of all students.
- Using data to enhance the information available on both student outcomes and academy financial performance.
- Evidencing the extent to which objectives have been achieved with examination results consistently above the national average.

ST PAUL'S ACADEMY

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in St Paul's Academy for the period 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The board of trustees has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

The risk and control framework

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the Audit, Finance and Resources Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

The Governing Body has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. Instead the Trust have appointed Debbie Newman of EFS to take on the Responsible Officer role. The RO's role includes giving advice on financial matters and performing a range of checks on the academy Trust's financial systems.

A sample of tests carried out in the year include:

- testing of payroll systems
- testing of purchase systems
- testing of control account/ bank reconciliations

The RO regularly reports to the Governing Body on the operation of the systems of control and on the discharge of the Governing Body's financial responsibilities.

The Academy can confirm the internal review has been undertaken and recommendations have been actioned.

ST PAUL'S ACADEMY

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

Review of effectiveness

As accounting officer the Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditor;
- the financial management and governance self-assessment process;
- the work of the executive manages within the academy trust who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Finance and Resources Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the board of trustees on 01 December 2021 and signed on its behalf by:

ST PAUL'S ACADEMY

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE *FOR THE YEAR ENDED 31 AUGUST 2021*

As accounting officer of St Paul's Academy, I have considered my responsibility to notify the academy trust board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2020.

I confirm that I and the academy trust's board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2020.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

S Malone
Accounting Officer

01 December 2021

ST PAUL'S ACADEMY

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2021

The trustees (who are also the directors of St Paul's Academy for the purposes of company law) are responsible for preparing the trustees' report and the accounts in accordance with the Academies Accounts Direction 2020 to 2021 published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare accounts for each financial year. Under company law, the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

Approved by order of the members of the board of trustees on 01 December 2021 and signed on its behalf by:

B Borland
Chair

ST PAUL'S ACADEMY

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ST PAUL'S ACADEMY FOR THE YEAR ENDED 31 AUGUST 2021

Opinion

We have audited the accounts of St Paul's Academy for the year ended 31 August 2021 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information, which comprises the information included in the annual report other than the accounts and our auditor's report thereon. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

ST PAUL'S ACADEMY

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ST PAUL'S ACADEMY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the trustees' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

We obtain and update our understanding of the entity, its activities, its control environment, and likely future developments, including in relation to the legal and regulatory framework applicable and how the entity is complying with that framework. Based on this understanding, we identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. This includes consideration of the risk of acts by the entity that were contrary to applicable laws and regulations, including fraud.

ST PAUL'S ACADEMY

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ST PAUL'S ACADEMY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

In response to the risk of irregularities and non-compliance with laws and regulations, including fraud, we designed procedures which included:

- Enquiry of senior leadership, Governors/Trustees and those charged with governance around actual and potential litigation and claims as well as actual, suspected and alleged fraud;
- Reviewing minutes of meetings of those charged with governance;
- Assessing the extent of compliance with the laws and regulations considered to have a direct material effect on the financial statements or the operations of the company through enquiry and inspection;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations including compliance with the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency;
- Performing audit work over the recognition of grant income and the allocation of expenditure to funds;
- Performing audit work over the risk of management bias and override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the rationale of significant transactions outside the normal course of business and reviewing accounting estimates for indicators of potential bias.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

ST PAUL'S ACADEMY

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ST PAUL'S ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2021

In accordance with the terms of our engagement letter dated 7 October 2020 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2020 to 2021, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by St Paul's Academy during the period 1 September 2020 to 31 August 2021 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to St Paul's Academy and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the St Paul's Academy and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than St Paul's Academy and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of St Paul's Academy's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of St Paul's Academy's funding agreement with the Secretary of State for Education dated 21 August 2013 and the Academies Financial Handbook, extant from 1 September 2020, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2020 to 2021. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2020 to 31 August 2021 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

Our work included identification and assessment of the design and operational effectiveness of the controls, policies and procedures that have been implemented to ensure compliance with the framework of authorities including high level financial control areas and areas assessed of presenting a higher risk of impropriety. We undertook detailed testing, based on our assessment of risk of material irregularity, where such controls, policies and procedures apply to classes of transactions. This work was integrated with our audit on the financial statements to the extent evidence from the conduct of that audit supports the regularity conclusion as well as additional testing based on our assessment of risk of material irregularity.

ST PAUL'S ACADEMY

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ST PAUL'S ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2020 to 31 August 2021 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

ST PAUL'S ACADEMY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

1 Accounting policies

St Paul's Academy is a charitable company. The address of its principal place of business is given on page 1 and the nature of its operations are set out in the trustees' report.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2020 to 2021 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The trustees assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the statement of financial activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

ST PAUL'S ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

1 Accounting policies

(Continued)

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the accounts until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

1 Accounting policies

(Continued)

1.5 Tangible fixed assets and depreciation

Assets costing £2,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the statement of financial activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the academy trust's depreciation policy. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line balance basis over its expected useful life, as follows:

Leasehold Buildings	2% - 10%
Fixtures, fittings & equipment	20%

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.7 Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

1.8 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

ST PAUL'S ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

1 Accounting policies

(Continued)

1.9 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.10 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income or expenditure are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.11 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

ST PAUL'S ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

2 Critical accounting estimates and areas of judgement

(Continued)

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 17, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2020. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement

Useful economic lives of tangible assets

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets. See note 12 for the carrying amount of the property plant and equipment, and note 1.5 for the useful economic lives for each class of assets.

Bad debts

Debtors are regularly reviewed for recoverability, any debts which in the opinion of management are not recoverable are provided for as a specific bad debt.

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

9 Staff

(Continued)

Staff numbers

The average number of persons employed by the academy trust during the year was as follows:

	2021 Number	2020 Number
Teachers	89	90
Administration and support	86	79
Management	9	9
	<u>184</u>	<u>178</u>

Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2021 Number	2020 Number
£60,001 - £70,000	2	2
£70,001 - £80,000	3	4
£80,001 - £90,000	1	2
£90,001 - £100,000	1	-
£110,001 - £120,000	-	1
£120,001 - £130,000	1	-
	<u>1</u>	<u>-</u>

Key management personnel

The key management personnel of the academy trust comprise the trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer national insurance and pension contributions) received by key management personnel for their services to the academy trust was £998k (2020: £874k).

10 Trustees' remuneration and expenses

One or more of the trustees has been paid remuneration or has received other benefits from an employment with the academy trust. The principal and other staff trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment, and not in respect of their services as trustees.

The value of trustees' remuneration and other benefits was as follows:

S Malone (principal):

- Remuneration £120,001 - £125,000 (2020: £115,001 - £120,000)
- Employer's pension contributions £25,001 - £30,000 (2020: £20,001 - £25,000)

E Bryan (staff, resigned as director 10/05/2021):

- Remuneration £55,001 - £60,000 (2020: £80,001 - £85,000)
- Employer's pension contributions £10,001 - £15,000 (2020: £5,001 - £10,000)

During the year, school expenses totalling £nil (2020: £295) was reimbursed or paid directly to one trustee (2020: no trustees).

ST PAUL'S ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

11 Trustees' and officers' insurance

In accordance with normal commercial practice, the academy trust has purchased insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business. The insurance provides cover up to £2,000,000 on any one claim and the cost for the year ended 31 August 2021 is included within the total insurance premium.

Total funds	<u>21,115</u>	<u>9,276</u>	<u>(9,955)</u>	<u>(942)</u>	<u>19,494</u>

The specific purposes for which the funds are to be applied are as follows:

General Annual Grant: Income received from the ESFA to cover the normal running costs of the Academy. Under the amended funding agreement with the Secretary of State, the academy trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2021.

Pupil Premium, Teachers Pension Grants, Teachers Pay Grants, Rates: Income received from the ESFA as described.

Other DfE/ESFA grants: This includes FSM income during the year and summer school funding.

Other government grants: This includes SEN funding and LAC funding.

Covid funding: Amounts received from the ESFA for Catch Up.

DfE/ESFA capital grants: this includes the devolved formula capital grant.

The transfer of funds relate to the additions to fixed assets and DFC spend during the year.

17 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by the Royal Borough of Greenwich. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016, and that of the LGPS related to the period ended 31 March 2019.

Contributions amounting to £129k were payable to the schemes at 31 August 2021 (2020: £128k) and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academies. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019.

ST PAUL'S ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

17 Pension and similar obligations

(Continued)

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. The assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to the TPS in the period amounted to £851k (2020: £626k).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 18.5% for employers and 5.5% to 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Total contributions made	2021	2020
	£'000	£'000
Employer's contributions	270	220
Employees' contributions	88	80
	<hr/>	<hr/>
Total contributions	358	300
	<hr/> <hr/>	<hr/> <hr/>
Principal actuarial assumptions	2021	2020
	%	%
Rate of increase in salaries	3.90	3.25
Rate of increase for pensions in payment/inflation	2.90	2.25
Discount rate for scheme liabilities	1.65	1.6
	<hr/> <hr/>	<hr/> <hr/>

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2021	2020
	Years	Years
Retiring today		
- Males	20.9	20.9
- Females	23.6	23.6
Retiring in 20 years		
- Males	22.4	22.4
- Females	25.2	25.1

Scheme liabilities would have been affected by changes in assumptions as follows:

	2021	2020
	£'000	£'000
Discount rate + 0.1%	-277	-214
Discount rate - 0.1%	285	219
Life expectancy + 1 year	485	348
Life expectancy - 1 year	-464	-333
CPI rate + 0.1%	258	198
CPI rate - 0.1%	-252	-193
Salary increase + 0.1%	23	20
Salary increase - 0.1%	-23	-19

Defined benefit pension scheme net liability

	2021	2020
	£'000	£'000
Scheme assets	4,372	3,395
Scheme obligations	(10,585)	(8,147)
Net liability	(6,213)	(4,752)

The academy trust's share of the assets in the scheme

	2021	2020
	Fair value	Fair value
	£'000	£'000
Equities	1,025	309
Bonds	720	632
Unitised insurance policies	-	1,309
Cash	34	29
Property	393	334
Other assets	2,200	782
Total market value of assets	4,372	3,395

The actual return on scheme assets was £692,000 (2020: £(637,000)).

	1 September 2020 £'000	Cash flows £'000	31 August 2021 £'000
Cash	2,134	305	2,439

20 Contingent liabilities

During the period of the Funding Agreement, in the event of the sale or disposal by other means of any asset for which a Government capital grant was received, the Academy is required either to re-invest the proceeds or to repay to the Education Funding Agency the same proportion of the proceeds of the sale or disposal as equates with the proportion of the original cost met by the Secretary of State.

Upon termination of the Funding Agreement, whether as a result of the Secretary of State or the Academy serving notice, the Academy shall repay to the Secretary of State sums determined by reference to:

- the value at that time of the Academy's site and premises and other assets held for the purpose of the Academy; and
- the extent to which expenditure incurred in providing those assets was met by payments by the Secretary of State under the Funding Agreement.

ST PAUL'S ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

21 Long-term commitments, including operating leases

At 31 August 2021 the total of the academy trust's future minimum lease payments under non-cancellable operating leases was:

	2021	2020
	£'000	£'000
Amounts due within one year	36	32
Amounts due in two and five years	40	59
	<u>76</u>	<u>91</u>
	<u><u>76</u></u>	<u><u>91</u></u>

22 Related party transactions

Owing to the nature of the academy trust and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the AFH and in accordance with the academy trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

O Akif, a relation of H Francis, a trustee, is employed by the academy trust as a teacher. O Akif's appointment was made in open competition and H Francis was not involved in the decision-making process regarding appointment. O Akif is paid with the normal pay scale for their role and receives no special treatment as a result of their relationship to a trustee.

No further related party transactions took place in the period of account other than certain trustees' remuneration and expenses already disclosed in Note 11.

23 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £1 for the debts and liabilities contracted before he or she ceases to be a member.
