

Summer Term 2024

Dear Parents and Carers,

At St Paul’s Academy we offer a range of exciting extra-curricular clubs and activities for our children to enjoy. These opportunities have an amazing power to inspire our young people to find ways to express and develop their character and personality.

Our curriculum is broad and provides pupils with an opportunity to develop their knowledge, skills and understanding. We also believe it is important to offer additional activities that build pupils’ confidence, resilience and positively impacts upon their physical, emotional and social well-being.

It is our belief that every child has a talent in at least one area and to support and develop this further, we offer a range of extra-curricular clubs and activities (see below).

Extra-Curricular Clubs & Activities Timetable
